Group 2. The Handlian. Handley High School. Winchester.

Makeup and layout is average and typography only ordinary. The book as a whole presents a clean appearance and is enhanced by very good photography and engraving. The views of the school in the front of the book is particularly appealing. The student art work gives a personal touch, but naturally are ~~is~~ hardly professional in appearance. The literary quality of the poem is of an unusually high order. The senior section is characterized by too large type for the activities.

FOREWORD

We of the class of '46 give you this yearbook, which to an outsider means nothing, but which to us is brimming over with the gay, carefree times, the warm friendships, even the darker moments of our high school career, and all the unwritten thoughts suggested by the photos and drawings herein.

The theme of our illustrations is music in honor of our beloved Miss Haynes and Professor McIlwee.

DEDICATION

To Miss Gwendolyn Haynes, to whom we owe
a debt of gratitude for the pleasures and
opportunities which her guidance and in-
fluence have provided us throughout our
school life, we dedicate our
1946 HANDLIAN.

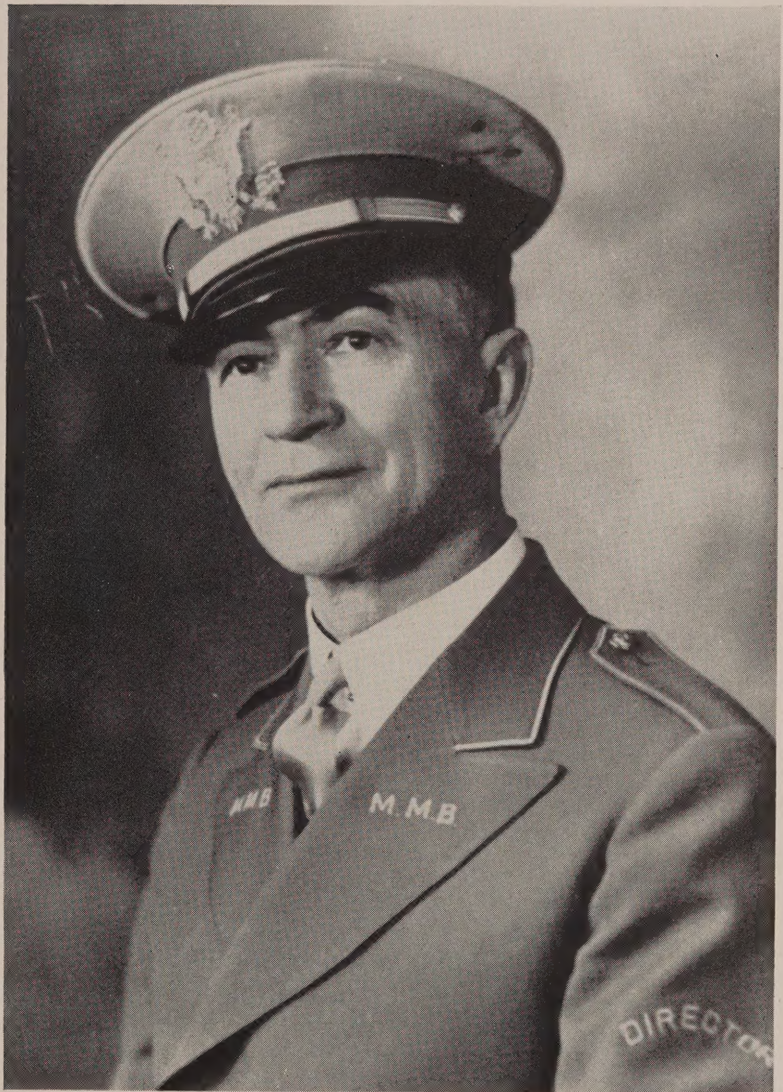
In Memoriam



MR. WILLIAM McILWEE

At the beginning of this year for the first time there was no music in Handley's halls. The band-room door was closed, for there was no beloved "Prof" to teach and direct the band and orchestra. We have missed so much the slightly bent figure who had been with us since the school's beginning. For those of us who knew him he will always be present wherever there is music.

MRS. RICE

To our sponsor, Mrs. Rice, who struggled right through our plays and proms, and who shoved everything we did straight to the front, the class of '46 owes a colossal vote of thanks.

MR. GRAY

Mr. Gray will always be remembered by us for his unfailing support in all our undertakings. When the way was rough, he was the one person who could lift us to the smooth ground leading to success.

Reflections

Recall with me some distant day when we,
Apart, yet ever joined by common threads
Of thought, shall share again the memory
Of our lost youth—the drama that was born
Of comedy and tragedy, for thus each moment seemed
To be. Yet, gazing back upon those trivialities,
What more was each than just a fleeting scene?
What have we gained, or what shall we possess
Of value to retain?

Forbear to harbor such a doubt within,
For time cannot extort from us *these* gifts—
A glowing heart that's warmed with laughter free
From care to soothe a stinging hurt wrought deep
By thoughtlessness; a helpful hand; a kindly word; a source
Of opportunities; a will to strive for victory
Or strength to meet defeat. Youth was no passing scene,
For we shall always be reflections of
The drama that we knew.

Executive Council

The executive council is the mechanism by which we, the students, govern ourselves. Representatives from each home room meet once a month to take care of General Organization legislation. Handley is one of the comparatively few high schools with a working student government, and we owe its success to that conscientious group of people who compose the Executive Council.

Monitor Commission

At Handley we have a set of "corridor cops" who gently tap us on the shoulder when we become rowdy in the halls. All governments must have policemen to enforce the law, Handley being no exception; and we look to our monitors with the utmost respect for the splendid way they do their job.

Honor Court

Another phase of our miniature democracy is the Honor Court which tries pupils charged with violation of the school laws. The members of this department deserve a double praise for the unpleasant task which they perform so justly.

The Glee Club

When we hear those golden tones effortlessly coming from the throats of the Glee Club members, it is difficult to imagine that behind them are long hours of diligent practice. The Glee Club, in addition to providing good training for its members, supplies entertainment for the students and community.

The Junior High Glee Club

The Junior High Glee Club is composed of the voices of girls in the 7th and 8th grade. Although it was organized only last year, this group has done much to provide pleasure and entertainment in the school. Moreover, these girls of the Junior High are prepared for future Glee Club work.

The Band

This year the Handley Band has taken enormous strides forward toward becoming a truly impressive organization. Capable, energetic Mr. Strunce, the new director, has produced a larger band to enter ably into the many local activities in which it has always participated.

MOTTO

Knowledge+Labor=Prosperity

The Future Farmers of America are not only those interested in farming as a direct occupation, but others who feel that such knowledge is essential in their diverse walks of life. Mr. Frye has done a fine job of directing these boys in the principles of judging in F.F.A. contests, parliamentary procedure and many other activities beneficial to both Handley and themselves.

Library Club

Under the new supervision of Mrs. Wisecarver the Library has grown to a shining organization of Handley—with interests directed toward the goal of benefiting all. Their purposes are to do regular library duties, to make a scrap book of all news pertaining to Handley, and to sponsor various activities.

The 1945 Language Tournament

As has been its custom for many years, Handley participated in the 1945 State sponsored Language Tournament. Due to transportation difficulties, the exams were sent to the school and given by Mr. Quarles. In Latin, the team won second place in district III, with Betty June Hurst winning first prize in the state for Latin II, and Betty Ann Grim winning first prize in the Latin III division. Leigh Rosenberger won first place in the state in Spanish II. The rest of the teams made honor grades.

The Boys' Monogram Club

A boy earns the privilege of joining the Monogram Club by winning his JH in one of the major sports offered at Handley. The football and basketball letters are given to boys who play in half the quarters of a season. To earn a monogram in track, a boy must win points in an important track meet. Letters are also given to senior managers in all three sports and to other boys who prove of outstanding value to the team.

The Monogram Club was organized to promote interest in athletics and sportsmanship at Handley. This year it sponsored dances after two home football games.

The Girls' Monogram Club

The Girls' Monogram is composed of girls who have earned 500 points by participating in girls' sports—soccer, baseball, basketball, volley ball, and softball. 100 points are received for making the first team, 75 points for making the second team, and 50 points for attending a required number of practices. Each club member is awarded a monogram and an athletic certificate. The Girls' Monogram Club is officially in charge of all girls' athletics and has stimulated greatly the interest in the girls' teams.

. . . A STATEMENT OF FACTS . . .

ooOoo

The purchasers of Hershey's Ice Cream are assured that it is blended from only properly inspected fresh milk and cream, the finest of cane sugar and the true flavoring—manufactured in an approved modern factory, untouched by human hands and under strict supervision that is guaranteed to be pure and wholesome.

The Hershey Creamery Company has and will continue to manufacture ice cream to the utmost quality and serve it at a price that gives the public the best value that their combined resources of production and management can command.
